

His 2500. Spring 2004. Newton Key

Assignment 7. **The Problem/Hypothesis.** Using the online catalog, construct a bibliography (at least 12 works available in Booth Library—at least 6 articles) focusing on a specific research problem relating to Elizabeth. Then using this bibliography (that is, examining titles, dates published, etc.; not by reading the works), write an essay about a possible research subject. Include a paragraph with a possible thesis statement for your research paper. **[As mentioned in class: two paragraphs, at least 250 words. Be sure to include the Who, What, When, Where information about your possible research question.]** Due March 2; **March 4 ok.**

March 2. Compare Bucholz and Key (handout) with J.A. Sharpe, “From Tudor Crisis to Gloriana” (handout).
