

3.5.1. Translation Problems

Translate each of the following English sentences into the formal language. (For each translation, first build a **translation table** linking English subject matter sentences with sentence letters.)

1. Unless the weather improves, Logicpalooza will be cancelled.
2. Even though Rex failed to pass the test, he will pass the course.
3. Though I'd like to make it to the mahjongg game , I can't take the time off work.
4. Unless either Doctor Slim or Jake is at the bar, Deacon will play pool alone.
5. Though both Trixie and Elvis are skilled poker players, our team failed to go to the playoffs.
