

Chapter Six Translation Problems

A. Translate the following sentences into the expanded formal language.

1. If Neko's taller than Jack, then Jack isn't taller than Neko.
2. If Neko's taller than Jack and Lucretia's taller than Neko, then Lucretia's taller than Jack.
3. If Neko's taller than Jack, then someone is taller than Jack.
4. Jack scaled a skyscraper.
